GENRE: DARK FANTASY

Set for release in early 2025, *Secrets of the Forsaken* is an audiobook that plunges listeners into dark fantasies, chilling horror, and supernatural tales of the unknown. This captivating collection features eerie stories of ghosts and poltergeists, the occult, glimpses of the afterlife, and the shadowy aspects of magic. Through vivid narration and immersive soundscapes, the audiobook weaves together stories from Indigenous oral traditions with modern voices and ancestral cultures, exploring bonds between the living and the departed. A blend of retold classics and original works, *Secrets of the Forsaken* offers a rich listening experience that journeys into the otherworldly from diverse perspectives. Listen to samples at durvile.com.

However... Likely COMING IN FALL 2025

If indeed the audiobook proves to be popular, stories from the audiobook will be transformed to a physical reality.
